# ABOUT US

**ProCircle** Fitness Training Products(Suzhou)Co.,Ltd, also called ProCircle, was established in Dec. 24th,2012. Founded by the founder Patrick Lee, ProCircle develops and spreads the Fitness Products in China. Till now, ProCircle becomes the top supplier of fitness products nationwide, and accelerating the process of products globalization.

ProCircle's rapid growth was started with the rise of worldwide crossfit games. Our company provides professional OEM and ODM services to more than 3,000 customers worldwide, Continuously offering them with high quality products, innovative products design, special package design as well as considerate service. Our strengths lie in the **integrated industry resources,all-round customer contact, ultimate service experience and customer value maximization.**

At present, ProCircle is equipped with a design and development team of 30 people, a brand marketing department and sales operation teams of more than 100 people. We also owns 33 independent brands and 16 patented inventions. Following the mission of **"BETTER PRODUCT; BETTER SERVICE; BETTER WORLD"**, ProCircle aims at being the most intimate cross-bordercommerce one-stop solution provider. And we are always ready for your satisfaction.

A woman with long brown hair, wearing a black sports bra, white boxing gloves with gold accents, and a white jacket, is posing in a concrete environment. She is looking to the side with a focused expression. The background consists of grey concrete walls and a bright light source from the upper left, creating strong shadows.
